Index of Modeling Tips Contained in N-Circle Update Reports

List of modeling tips correlated to the N-Circle Update report they are presented in

List last updated: 10/25/26

List updated through: N-Circle Update report 42

N-Circle Update Report(s)	Category	Description
	Railroad Rolling Stock - Loads	aaa
9	Raikroad Rolling Stock - Loads	Creating pipe loads for gondolas
	Scenery - Backdrops	aaa
4, 5, 22	Scenery - Backdrops	Creating moveable and fixed backdrops for photos
	Scenery - Detail Parts	aaa
12, 16, 29	Scenery - Detail Parts	Building detail parts to place around structure kits.
29, 34	Scenery - Detail Parts	Building and painting fences
29, 36	Scenery - Detail Parts	Painting animals
36	Scenery - Detail Parts	Painting human figures
	Scenery - Dirt Roads	aaa
29, 37	Scenery - Dirt Roads	Creating dirt roads and driveways
1, 2, 10, 22	Scenery - Dirt Roads	Creating dirt roads and driveways in PowerPoint scenery panels
	Scenery - Grass & Trees	aaa
29, 34, 37, 42	Scenery - Grass & Trees	Applying ground foam grass and gravel to scenery panels
34, 42	Scenery - Grass & Trees	Attaching trees to styrene plastic scenery panels
	Scenery - Sidewalks	aaa
28, 42	Scenery - Sidewalks	Creating concrete sidewalks
1, 2, 3	Scenery - Sidewalks	Creating concrete sidewalks in PowerPoint scenery panels
	Scenery - Streets & Parking Lots	aaa
6	Scenery - Streets & Parking Lots	Creating paved areas between tracks in a freight yard
28, 29, 42	Scenery - Streets & Parking Lots	Creating paved streets and parking lots
1, 2	Scenery - Streets & Parking Lots	Creating paved streets and parking lots in PowerPoint scenery panels

	Structures - Assembly	aaa
4, 8, 9, 11, 12, 13, 21, 23, 28, 29, 33, 34, 35, 36, 37, 38, 39, 42	Structures - Assembly	Adding exterior details around structures
10, 11, 12, 13, 26, 28, 30, 36, 38, 41	Structures - Assembly	Adding interiors to structures.
26, 28, 29, 33, 35	Structures - Assembly	Assembling and painting 3-D printed structure kits
41	Structures - Assembly	Assembling and painting etched metal structure kits
23, 24, 25, 26, 27, 29, 30, 31, 32, 34, 36, 38, 39	Structures - Assembly	Assembling and painting laser-cut wood structure kits
3, 6, 7, 8, 9, 10, 11, 12, 13, 15, 21, 40	Structures - Assembly	Assembling and painting plastic styrene structure kits
23	Structures - Assembly	Attaching clear acetate window panes
99	Structures - Assembly	Using Micro-Scale Kristal Klear for windows
26	Structures - Assembly	Making colored stained-glass windows
29	Structures - Assembly	Making window shutters
31, 32	Structures - Assembly	Using alternate roofing materials
	Structures - Kit-Bashing	aaa
8	Structures - Kit-Bashing	Kit-bashing a firehouse kit to re-purpose it as a restaurant
6	Structures - Kit-Bashing	Kit-bashing a freight depot kit into two smaller structures
3	Structures - Kit-Bashing	Kit-bashing together two plastic styrene structure kits to create a larger freight depot
11, 13	Structures - Kit-Bashing	Replacing foreign-style roofs with American steel roofing.
	Structures - Painting	aaa
8	Structures - Painting	Applying brick mortar
12	Structures - Painting	Exterior detail painting
	Structures - Signage	aaa
7, 8, 9, 10, 15, 21, 35, 41, 42	Structures - Signage	Creating custom, changeable signs for structures

	Vehicles - Assembly	aaa
13, 17, 18, 19, 20	Vehicles - Assembly	Assembling and painting 3-D printed plastic vehicle kits
11, 12, 13, 14, 17, 19	Vehicles - Assembly	Assembling and painting metal vehicle kits
12, 13, 15, 17, 18, 19, 20, 21	Vehicles - Assembly	Assembling and painting plastic resiin vehicle kits
12, 18, 36	Vehicles - Assembly	Kit-bashing vehicles from parts from multiple kits.
	Vehicles - Painting	aaa
16, 17, 21, 36, 37	Vehicles - Painting	Making custom decals
15, 17	Vehicles - Painting	Painting chrome trim
15, 17	Vehicles - Painting	Painting hubcaps and wheels
17	Vehicles - Painting	Painting license plates
15, 17	Vehicles - Painting	Painting windows
